## BEGINNER DRIVER EDUCATION

Dear Student:

Bluewater District School Board Beginner Driver Education Providers welcome you to the “**behind-the-wheel**” segment of your driver-training course.

**The Providers** – Driver Education Instructors provide the highest quality of driver education. Thousands of students have graduated from this program throughout Bluewater!

The course objective is --- **“To teach a student to be a safe and defensive driver regardless of the conditions or actions of others”**. A student who successfully completes the requirements of this course will be better prepared to face the hazards of driving.

**Certification** --- Students successfully completing the course are “certified” electronically with the Ministry of Transportation (MTO). A Driver’s Licence History provides proof of certification and is widely recognized by the insurance industry as proof of course completion. BDE Graduates with a Driver’s Licence History may be eligible for an insurance discount.

Your in-car training should be a positive, fulfilling learning experience. You can make that happen by showing up on time for all driving sessions. **Failure to show up at the appointed time will result in you being assessed a fee of \$25.00 per hour missed and this charge must be paid before you start your next lesson.** Remember, you must successfully complete all course components BEFORE you can be certified.

**If you cannot keep a pre-arranged appointment for any reason, it is your responsibility to contact your instructor directly.** An appointment card with the instructor’s home phone number should have been given to you at your first in-car session. Please give the instructor 24 hours’ notice; if possible (someone else may be able to fill that time slot!). Anything less than 24 hours will be assessed the fee of \$25.00 per hour missed.

I have read and understand that **a fee of \$25.00 per hour missed will be assessed** if I do not show up for an appointment or I do not give sufficient notice to cancel a pre-arranged appointment. I understand this fee must be given to the Driver Education Instructor when I start my next driving session.
