

## **Remote Learning Delayed Until Wednesday, September, 16, 2020**

Dear Remote Learning Families:

**We have made the difficult decision to delay the start of remote learning until Wednesday, September 16, 2020.** We are working to ensure student schedules and staffing are in place.

**There will be further communication over the next few days to support this transition.**

Thank you for your patience and understanding as we adapt to the challenges of these unprecedented times. Despite these delays and hiccups we are working diligently to get the school up and running. Please be assured that we are deeply committed to ensuring that all our remote learning students have a positive, engaging, rewarding, and successful school year.
