

LIABILITY INSURANCE COVERAGE

Bluewater District School Board is pleased to advise our community sponsors that students who are performing volunteer work for your organizations are protected by the school board's liability insurance, while they are performing their required forty hours of community Involvement service.

Community sponsors are also protected by the board's liability insurance for claims that arise out of our students' volunteer activities for your organizations. Community sponsors will be responsible for ensuring that their liability insurance will protect them for their involvement in this program.

Community sponsors should also be aware that students do not have accident insurance, nor Workplace Safety Insurance coverage through the school board. The school board expects the community sponsors to ensure that student volunteers are provided with safety Instructions, and are trained and supervised to ensure a safe and mutually beneficial volunteer experience.
