

## eCommunity

There are two eCommunities available for BWDSB teachers;

The Provincial Blended Learning Community contains resources and videos on different Blended Learning topics.

The BWDSB e-Learning Community includes resources as well, but also includes a space for BWDSB teachers to discuss their Blended and eLearning experiences and share knowledge.

For login information for the e Communities please email [Rob\\_Davidson@bwdsb.on.ca](mailto:Rob_Davidson@bwdsb.on.ca)
